Subject: FW: ER Activation - response manager event

An event has been created and we are uploading Documents to the event – West Fertilizer Tier II Report, Aspect Overflight, and other documents associated with the fertilizer facility which is an RMP. Let me know if you need these and I can email them.

Event

Event name: West Fertilizer Company

Incident name: West Fertilizer Company

Here is the Flex site that has information for this Response.

<http://gis.eparesponsemanager.net/r6/WestFertilizer/>

Username: (b) (5)
 Password: (b) (5)

I am adding the site sketch tool if you want throw on there where you are going to set up monitoring so I can brief those here at the REOC. If not just shoot me information as you have it and I can get it in the right spot whether RM, SCRIBE, ect.
